MOUNT STEAD,  
BEN RHYDDING,  
YORKSHIRE.

Sept. 25<sup>th</sup>/

Dear Miss Kitching.

24.

You may just be returning from your holiday, so I send these letters of Miss Mason, for you to keep and make use of in any way. A few, entirely personal ones to others. I have kept in memory of their friendships.

The letters are in sequence and may recall incidents in the elementary school scheme - Some day, when

you have time, do please  
tell me how this  
progresses.

You may find it poignant  
reading; "old letters" so  
often are; and those  
are brimful of vitality &  
enthusiasm and bring  
home to one that something  
without which we must  
now live and work.

With much greeting to  
this Parish and our new  
friends - Yours affectionately  
Dorothy. Smith.
